(1) Report of the Nominating Committee

Membership on Annual Conference Essential Ministry Teams is listed below as prepared by the Conference Nominating Committee including those, which the Annual Conference elects or confirms, or for which the Conference Nominating Committee has the responsibility for compliance monitoring as conferred by Rule VI. Wesley Foundation Boards, Camp Advisory Boards, emerging committees, task forces, and others of this nature are not included in this report, but are subject to the Conference Rules.

All persons newly elected at this Conference shall take office as of **JULY 1, 2011** except as provided or by *The Book of Discipline* or found in the current Journal. Addresses of persons listed should be found in the Lay or Clergy Directories. With each Committee name, you will find a brief reference to membership rules as described in the appropriate sections of *The Book of Discipline* and/or Journal.

(2) A Word about Editorial Corrections and Changes

All editorial and other changes and corrections should be submitted to the staff liaison to the Conference Nominating Committee, *Catharine Phillips*. She may be reached at cphillips@cal-pac.org

To speed the process on the Annual Conference agenda, we request that any corrections of spelling, gender or ethnic identification, tenure or other typographical errors be submitted in writing or by e-mail to the staff liaison at the address above.

We have not yet received the reports from several of the Districts with their current representatives to various Conference committees, and from various committees with their representatives to other Conference bodies. These are matters of reporting, not nominating by this committee, and should also be referred in writing or e-mailed to the address above.

When submitting new members pursuant to Rule VI L. Nominations from Groups Other Than the Nominating Committee, it is requested that the information include whether clergy, lay, man, woman, ethnic status, youth or young adult status (with birth dates), local church, District, verified current address, phone numbers, e-mail address, and the date of new membership. If class year groups are involved, please also include the class.
