The Council on Finance and Administration
California-Pacific Annual Conference
of the United Methodist Church

Independent Auditors' Report

We have audited the statements of financial position of the California-Pacific Annual Conference of the United Methodist Church (the Conference), as of December 31, 2007, and the related statement of support and revenues, expenses and other changes in net assets, and the related statement of cash flows for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the aforementioned financial statements present fairly, in all material respects, the financial position of the Conference, as of December 31, 2007, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 9 to the financial statements, the accompanying financial statements reflect certain changes as a result of the implementation of Statement of Financial Accounting Standards Number 158 for the year ended December 31, 2007. This resulted in a change in the Conference's method of accounting for post-employment healthcare benefits.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Conference's basic financial statements. The accompanying schedules listed as supplemental information in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements of the Conference. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements
December 31, 2007

1. Summary of Significant Accounting Policies

Basis of Presentation/Accounting

The financial statements of the California-Pacific Annual Conference of The United Methodist Church (Conference) include the accounts of funds that provide programs and support services to, and on behalf of, the member churches of the Conference. These programs and supporting services are considered Conference activities by the "Book of Discipline." The financial statements have been prepared on the accrual basis.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Conference is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Fund Groupings

To ensure observance of limitations and restrictions placed on the use of resources available to the Conference, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been grouped. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities and net assets of the Conference are reported in self-balancing fund groups as follows:

- Operating Funds, which are available for the various Conference programs and support services, including unrestricted and Board-designated amounts. For financial statement purposes interfund balances within the operating funds comprising \$3,571,643 of receivables/payables have been eliminated.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements (Continued)
December 31, 2007

- Fixed Assets Funds, which include land, buildings, furniture and equipment that are acquired or constructed.
- Endowment Funds, which are restricted for specific conference programs and support.

Cash and Cash Equivalents

The Conference maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Conference has not experienced any losses in such accounts. The Conference believes it is not exposed to any significant credit risk on cash.

For purposes of the statements of cash flows, the Conference considers cash and all highly liquid investments with original maturities of three months or less from when purchased as cash and cash equivalents. This includes the money market fund which is also considered a cash equivalent.

Investments

Investments are stated at fair value (the value at which financial instruments could be exchanged in a current transaction between willing parties, other than in a forced liquidation sale.)

Property and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets which range from three to forty years.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
 OF THE UNITED METHODIST CHURCH
 Notes to Financial Statements (Continued)
 December 31, 2007

Income Taxes

The Conference is a California nonprofit, tax-exempt organization under the provisions of Section 501(c)(3) of the Internal Revenue Code and the corresponding provisions of the California Revenue and Taxation Code. Accordingly, no provision for income taxes is required.

Post-Employment Health Care Benefits

The funded status of the Conference's post-employment benefit plans is measured as the difference between the fair value of plan assets and the accumulated post-employment benefit obligation. The overfunded or underfunded funded status of the plans is fully recognized as an asset or liability in the statement of financial position. Changes in the funded status of the plans are recognized in the year they occur as changes in unrestricted net assets. See also Note 9 to the financial statements.

2. Cash and Investments

Cash in the Operating Fund of \$1,667,584 is composed primarily of interest-bearing bank deposits utilizing pooled cash of all funds. In addition to the money market fund, investments in the Operating and Endowment Funds are held by the California-Pacific United Methodist Foundation. Total cash and investments of the Conference are summarized as follows:

	<u>December 31, 2007</u>
	<u>Carrying</u>
	<u>Amount</u>
Cash and Cash Equivalents:	
Cash and demand deposits	\$ 1,667,584
Money market fund	<u>6,036,120</u>
Total Cash and Cash Equivalents	7,703,704
Investments:	
Investments held by the Foundation	<u>12,121,964</u>
Total Cash and Investments	<u>\$19,825,668</u>

The cash and demand deposit accounts are maintained in bank accounts which are fully insured up to \$100,000 by federal depository insurance. At various times during the year and at December 31, 2007, bank balances exceeded the amount of insurance.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements (Continued)
December 31, 2007

3. Receivables

Notes due from Member Churches

The notes due from member churches are generally collateralized by trust deeds on real property and bear interest at rates ranging from 2% to 7.5%. At December 31, 2007, the allowance for uncollectible notes is \$103,246.

Contribution from Remainder Trusts

The Conference is a beneficiary of certain estates. The corpus of the estates will not be received until certain time restrictions have been met. A receivable has been recorded for the Conference's proportionate share of the fair value of the corpus.

4. Certificates of Participation

At December 31, 2007, the Conference has an investment in certificates of participation of the United Methodist Development Fund (UMDF). The UMDF is an incorporated, nonprofit organization related to the National Division of the Board of Global Ministries of The United Methodist Church. Certificates of participation in the amount of \$700,000 provide for a rate of interest equal to the rate UMDF pays on its Flexible Investment Notes. The interest rate at December 31, 2007 was 4.75%. Although certificates are normally repaid upon demand, the UMDF has the option of requiring six months prior written notice and may repay the certificates over a five-year period. The UMDF may redeem the certificates at a 2-1/2% premium by giving six months prior written notice.

5. Property and Equipment

Property and equipment at December 31, 2007 consist of the following:

Land		\$ 1,166,262
Buildings		8,021,527
Furniture and fixtures		<u>1,408,777</u>
		10,596,566
Less accumulated depreciation		<u>(7,519,071)</u>
Total		<u><u>\$ 3,077,495</u></u>

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
 OF THE UNITED METHODIST CHURCH
 Notes to Financial Statements (Continued)
 December 31, 2007

6. Related Party Transactions

At December 31, 2007, related party receivables consist primarily of amounts due from the General Level Agencies of the United Methodist Church and the California-Pacific United Methodist Foundation (the Foundation).

Related party transactions with the General Level Agencies of The United Methodist Church consist of apportionment distributions and maintenance of various deposit accounts administered by the General Board of Pensions.

Due from related parties at December 31, 2007 consists of the following:

	<u>Operating Fund</u>
	Pension Funds
General Board of Pensions	\$ 694,998

During 2007, the Conference had deposited with the Foundation, funds in an investment pool maintained by outside investment advisers, under the investment guidelines of the Foundation. The Conference has \$12,121,964 deposited with the Foundation for the pooling of investments at December 31, 2007.

Endowment Funds held by the Foundation:

Conference Endowment Fund - Contributions received are not distributed. Net revenues derived from dividends and interest earned on investments are paid to the Board of Pensions and eventually distributed to those qualified to receive pension distributions. At December 31, 2007, accumulated capital amounted to \$2,815,058. The market value of the fund at December 31, 2007 was \$4,515,286.

Hough Endowment Fund - Contributions received from the donor are designated as not being available for distribution. The net income earned on investments is used by the Board of Pensions, to aid and assist in necessitous cases, the retired ministers and widows and children of deceased ministers of the Conference. At December 31, 2007, accumulated capital amounted to \$85,201. The market value of the fund at December 31, 2007 was \$410,432.

Mrs. D. A. Crowell Memorial Fund - Contributions received from the donor are designated as not being available for distribution. The net revenues earned on investments are used to aid and assist in necessitous cases, the widows of deceased ministers of the Conference. At December 31, 2007, accumulated capital amounted to \$55,759. The market value of the fund at December 31, 2007 was \$81,542.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements (Continued)
December 31, 2007

7. Notes Payable

Notes payable to bank with variable interest rates and variable monthly principal and interest payments. Interest on unpaid principal shall accrue at a rate equal to the LIBOR rate plus 2.10% per year. The LIBOR rate at December 31, 2007 was 4.4575%. Principal payments totaled \$48,230 and interest payments totaled \$48,670 for the year ended December 31, 2007. The remaining principal and interest due are secured by the building.

The annual requirements to amortize the note payable outstanding for each of the next five years and in aggregate:

Year Ending December 31	Amount
2008	\$ 52,323
2009	57,081
2010	62,105
2011	67,572
2012	73,427
2013-2016	311,969
Total Principal ⁽¹⁾	\$ 624,477

⁽¹⁾ Interest not included due to rate being variable.

8. Pension Plans

As discussed below, at December 31, 2007, there are two pension plans in existence for the ministers of the Conference.

The 2004 General Conference of the United Methodist Church adopted the Clergy Retirement Security Program (CRSP), effective January 1, 2007. The CRSP is administered by the General Board of Pension and Health Benefits of the United Methodist Church (General Board). The CRSP consists of both a multi-employer defined benefit and multi-employer defined contribution plan.

Since January 1, 1982, ministers of the Conference had been covered by the Ministerial Pension Plan (MPP), which was administered by the General Board. This plan, a multi-employer defined contribution plan, was adopted by the 1980 General Conference of The United Methodist Church and replaced the Ministers' Reserve Pension Fund (MRPF), a multi-employer defined benefit plan. On January 1, 2007 participants of the MPP were rolled into the CRSP.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements (Continued)
December 31, 2007

In connection with the MRPF, pension expense represents payment for prior service as determined by the consulting actuaries of the Board based on an actuarial valuation as of December 31, 2007. Pension expense for the year ended December 31, 2007 was \$0. Information from the General Board of Pensions is not presently available to disclose the Conference's share of accumulated plan benefits, net assets available, or the unfunded liability at December 31, 2007.

Under the defined benefit plan of the CRSP, clergy receive benefits based on a formula which is calculated based on the Denominational Average Compensation (DAC) and years of credited service. The retiree's monthly benefit increases annually by 2% per year, after benefits start.

Under the defined contribution plan of the CRSP, individual churches remit 3% of each minister's salary directly to the General Board up to the DAC. These remittances are placed in the respective minister's pension account. The Conference submits 3.1% of the same contribution base via Comprehensive Protection Plan (CPP). These funds are placed in a pooled account to provide CPP plus a pension buildup for ministers who are below the denominational average compensation. In 2007, the Conference contributed \$737,118 to the above pension plans.

All lay employees of the Conference can join the Cumulative Pension Benefit Fund of the General Board, a defined contribution plan. The Conference's contribution requirement under this plan is 9% of the applicable employees' compensation.

The Conference Board of Pensions also administers a group health insurance plan available to member clergy and Conference employees and their families. As reflected in the accompanying financial statements, the Conference Board of Pensions receives premium payments from these parties and then submits payment to the applicable insurance agency. The Conference also administers a general liability insurance plan for member churches through the Conference Board of Trustees.

9. Post-Employment Health Care Benefits

The Conference provides post-employment benefits in the form of health care benefits to all clergy retirees, surviving clergy spouses, and retired lay employees, in accordance with Conference policy. The plan provides health benefits to employees who make the required election upon retirement. Employees must have earned at least 10 years of service with the Conference during the last 15 years prior to their retirement and are eligible to retire upon the attainment of age 62 or 35 years of service. The Conference contributes the cost of monthly health insurance coverage. Contributions for 2007 were \$1,059,390.

CALIFORNIA-PACIFIC ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH
Notes to Financial Statements (Continued)
December 31, 2007

The following projected post-employment benefits are expected to be paid in future years:

Year Ending December 31	Projected Benefits
2008	\$ 1,330,000
2009	1,469,000
2010	1,581,000
2011	1,727,000
2012	1,873,000
2013-2017	11,450,000

The following weighted average assumptions were used in accounting for the plan as of December 31:

Weighted-average assumptions used to determine benefit obligations at December 31:

Discount rate	5.5%
First year health care trend rate	10.0%

Weighted-average assumptions used to determine net periodic benefit cost for year ended December 31:

Discount rate	5.5%
Expected return on plan assets	5.5%
Ultimate health care trend rate	6.0%

Current retirees were assumed to receive a health insurance subsidy equal to their actual scheduled subsidy for 2008 based on their status and coverage election. 60% of future covered retirees were assumed to receive a health insurance subsidy during 2008 equal to \$1,595 per year for each of the retiree and his spouse (the current HMO Medicare-eligible rate) and 40% of future covered retirees were assumed to receive a health insurance subsidy during 2008 equal to \$3,508 per year for each of the retiree and his spouse. All subsidies were increased by the health care cost trend rates for years after 2008. The health care cost trend rates were as follows:

Year	Increase	Year	Increase	Year	Increase
2008	10%	2011	9%	2014	7%
2009	10%	2012	8%	2015	7%
2010	9%	2013	8%	2016 & later	6%

December 31, 2007

10. Line of Credit

The Conference has an agreement with a bank for a line of credit with a maximum of \$1,000,000 and an interest rate of one-half percent over the bank's reference rate. As of December 31, 2007 the line of credit is unused.

11. Contingencies

The Conference is subject to various legal proceedings and claims which involve private parties. In the opinion of the Conference management and its counsel it is improbable that the outcome of such litigation will be materially adverse to the Conference.
